# At the Library This Summer!

.....

## **Design a Book Bag**

**June 1 - July 31**

**Grades K – 5**

Design original artwork that you think would make a great library bag. Staff will vote on their favorite, and the winner will get their bag made with their artwork on it. The winning artwork will also be displayed in the library. Look for the entry form in the Youth Services department with a complete list of rules.

## **Vietnam War Photo Display:**

You Are Not Forgotten

**June – July**

Oswego Campus

The moving Vietnam Wall is coming to Oswego from June 29 – July 3.

In coordination with that, the library will have a photo display this summer in honor of those who served.

Please bring in photos of family and friends who served in the Vietnam War. We will make a copy of your photo to put on our display and return your original.
