Months

January is when we go back to school From winter break. The weather is cool.

February is a loving time. You get to make Valentines.

March is a month with St. Patti's Day. Little leprechauns run and play.

April has Easter with beautiful flowers. We hunt for eggs for lots of hours.

May has Mother's Day. Give her a kiss and a hug. Give her a card shaped like a ladybug.

June has Father's Day. I love you Dad! Give your dad a gift and make him glad.

July is when America was born. We see fireworks, parades, and a toot of a horn.

August is the hottest month of the year. When you go to the pool you let out a cheer.

September is the first month of the school year. You get a new teacher. You don't have to fear.

October is when you trick-or-treat. You get candy walking up and down the street.

November has Thanksgiving Day. You sit down with your family to pray.

December we open presents. It's Christmas time. Above the manger the star did shine.
